

Dear, if you change

John Dowland

Dear, if - you change, I'll ne- ver choose - a- gain.
 Earth with - her flow'rs shall soon- er heav'n - a- dorn,

Sweet, if you shrink, I'll ne- ver think - of love.
 Heav'n her bright stars through earth's dim globe - shall move,

Fair, if you fall, I'll judge all beau- ty vain.
 Fire heat shall lose, and frosts of flames be born,

10

Wise, if too weak, moe wits - I'll ne- ver
Air made to shine as black - as hell shall

prove. Dear, Sweet, Fair, Wise, change,
prove: Earth, Heav'n, Fire, Air, the

shrink, nor be not weak: And, on my faith, my
world trans- form'd shall view, Ere I prove false to

faith shall ne- ver break, break,
faith, or strange to you, you.
